Dear Activists & Supporters,

Thanks to the generosity of the Silverlake Community Church and The Shower of Hope - we're back for another Saturday Supper!

We'll be in Silver Lake serving up food and showers to our neighbors in need this Saturday 6/22. Would love to see you!

Also - did you see us in the LA Times this morning? Julia Wick did a story on SELAH in her Essential California newsletter! You make this program possible and it's making an impact. Together, we can show our city this is what compassionate, neighborhood-based solutions to homelessness look like.

We're working hard to expand this vital program and more exciting news is coming soon!

Warmly,

The SELAH team
